Sub: Regarding submission of NOC from A.A. & C. of MCGM ward.

It has been seen that, one of the condition of IOA/LOI is to submit NOC regarding "No dues pending certificate from Assistant Assessor and collector" of the respective MCGM ward.

However representation are received stating many times these dues are under challenge in various forums. Similarly, representation are made to MCGM either for extension of dead line for payment or instalments and hence no dues certificate cannot be submitted.

To resolve this issue it is decided as follow:

The condition for complying the NOC from A.A. & C of respective ward is required before C.C. of the Sale portion. However the Owner / Developer / Society of S.R. Scheme will be given an option to lien the sale portion as calculated below. The registered undertaking in that respect mentioning that **"The _____ sq.mts. of sale BUA is liened with SRA till the submission of no dues pending certificate from A.A. & C. of MCGM ward and Developer will not create any Third Party rights on the said BUA till the lien is revoked by SRA."**

A = Amount raised by MCGM.

B = Ready Reckoner rate of Residential/Commercial/Industrial building of that year.

Sale BUA to be Lien = $\frac{(2 \times A)}{B}$ = _____ sq.mts.

Notes:

- 1) The sale BUA as worked out above shall be rounded off to nearest BUA of saleable tenement as per approved plans.
- 2) The sale BUA to be liened to SRA shall be distinctly marked on plan and the approvals i.e. IOA / Amended plans shall be issued accordingly and copy of plan is to be forwarded to F.C. (SRA) for information and record.
